

6 September 2022

Hello HCJH Families,

We look forward to seeing your children tomorrow. Below are info for first day of school.

Opening Day

Students will remain outside until 8:05. Once the bell rings, grade 6 will go into the cafeteria and 7 and 8 to the gym, find their names on the class list, meet their homeroom teacher, and spend the first 2 periods in homeroom reviewing school procedures, forms, locks, etc. Period 3 students will proceed to their regular scheduled class. Teachers will be spending the first week and a half getting to know your children through a variety of activities.

School Locks

Only grade 6 and new students will need to pay for school lock. Cost = \$6.00. This is to be paid by Friday Sept. 9th.

Back to School Plan

Although we are returning to a more normal school experience, please know we will continue to follow the advice of public health. We encourage everyone to get vaccinated, stay home if you are not feeling well, sanitize your hands and support those who continue to wear a mask.

Off Property at Lunch Time

All students are to remain on school property during lunch time for opening day, so please send with a lunch. Forms will be handed out to grade 7 and 8 students to be signed by parent. Students in grade 7 and 8 can leave property at lunch starting Thursday Sept. 8th if permission form has been signed and returned. **Grade 6 students are not permitted off property at lunch time.**

Anti-Bullying Awareness Day - Thursday, September 8th

Please encourage your child to wear pink on this day to show our support being kind to each other.

Chromebooks

Chromebooks will not be handed out until forms are signed and returned to the office. Forms will be given to students tomorrow.
